We will be adding “member only” events and a few more programs when we finalize our summer & fall calendar.

The “Open House” events will consist of the barn being open with volunteers around to answer questions. We will have a brief hike/wagon rides at 1:30 & 2:30 to show off our fields, platforms, bridge and talk about property history and our mission. Attendees can come & go as they wish.

Please dress accordingly when attending events.

Trails open dawn till dusk every day. Donations are always welcome!!
